

Webquest – Wheat

1. Read about how we mill flour from grain. Draw your own diagram showing the milling process and write a short summary describing each stage.

<http://www.awb.com.au/AWBL/Launch/Site/AboutAWB/Content/CommunityEducation/TheFlourMillingIndustry/>

2. Summarise the history of the production of wheat in Australia, from settlement until now.

<http://www.awb.com.au/AWBL/Launch/Site/AboutAWB/Content/CommunityEducation/GrainProduction/>

3. What advantages did the 'hot bread shops' have over the supermarkets when they developed? What did the supermarkets do to compete with the hot bread shops?

<http://www.awb.com.au/AWBL/Launch/Site/AboutAWB/Content/CommunityEducation/TheBakingIndustry/>

4. Copy the table titled 'Flour Usage'. Examine the table 'Nutritional Value of Cereal Grains'. Which grain do you think is the most nutritious and why?

<http://www.awb.com.au/AWBL/Launch/Site/AboutAWB/Content/CommunityEducation/CerealsAndDiets/>

5. Name and describe 10 types of bread.
